

CONFERENCE

**ENGINEERING AND
COMPUTER GRAPHICS**

25th May 2018

Conference Organizers

Institute of Hydraulic Construction Engineering,
Aleksandras Stulginskis University and
The Lithuanian Society of Engineering Graphics and
Geometry (LIGGD)

Organizing Committee

Chairperson:

A. Vansevičius ASU, Institute of Hydraulic
Construction Engineering

Vice:

T. Pilkaitė LIGGD president

Members:

I. Giniotis Vilnius Builders Training Centre
P. Milius ASU, Institute of Hydraulic
Construction Engineering

Secretary:

T. Sankauskienė ASU, Institute of Hydraulic
Construction Engineering

Conference topics

- ❖ Development of interactive and animated technical drawing teaching tools.
- ❖ Graphical subjects the training process improvement.
- ❖ Applied geometry and graphics.
- ❖ The ISO standards use for the drawings.
- ❖ The ISO standards and CADD systems.
- ❖ Computer Design Systems application.

Contact: tel. (+370) 37 75 23 78

e-mail: tatjana.sankauskiene@asu.lt or

antanas.vansevicius@asu.lt

Address

Institute of Hydraulic Construction Engineering
Water and Land Management Faculty
Aleksandras Stulginskis University
Universiteto g. 10, LT-53361 Kaunas-Akademija,
Lithuania

Terms

Filled forms and abstracts please send by 9th of April 2018.

Papers for publication must be presented by 7th of May 2018.

On the 25th of May 2018 at 10 h. – conference.

Conference proceedings will be published as a separate publication. Authors present report text will be reviewed. Scientific committee will gather about acceptance to publication.

Requirements for papers

Text volume together with the abstract in Lithuanian (maximum 600 characters), and the findings may not exceed 6 pages.

The text should be arranged by completing at least 75% of the last page.

Please submit text of the paper in electronic version in Word format.

The manuscript must be formatted A5 sheet, single line spacing, with 2 cm margins on all sides. Paragraph indent - 0,7 cm. Use the font size and style:

Font – Times New Roman	Font size, pt	Font styles
Title	14	bold
Autor	12	bold
Organization	10	<i>italic</i>
Text	10	normal
Tables	9	normal
References	9	normal
Abstract	8	normal
