

INTERNATIONAL SCIENTIFIC COMMITTEE

Chairman:

Sandris Rucevskis, Institute of Materials and Structures, RTU

Members:

The full list of Scientific Committee members is available on the conference [website](#).

Riga Technical University
Faculty of Civil Engineering
Kalku str. 1, LV-1650,
Riga, Latvia

LOCAL ORGANIZING COMMITTEE

Chairman:

Diana Bajare, Department of Building Materials and Products, RTU

Members (RTU):

Talis Juhna, Vice-Rector for Research of RTU
Juris Smirnovs, Dean of Faculty of Civil Engineering
Janis Kaminskis, Vice-Dean for Research of Faculty of Civil Engineering
Ainars Paeglitis, Institute of Transport Infrastructure Engineering
Andris Chate, Institute of Materials and Structures
Leonids Pakrastins, Institute of Structural Engineering and Reconstruction
Martins Vilnitis, Institute of Construction Technology
Anatolijs Borodinecs, Department of Heat and Gas Technology
Boriss Gjunsburgs, Department of Water Engineering and Technology
Genadijs Sahmenko, Department of Building Materials and Products
Modris Dobelis, Department of Computer Aided Engineering Graphics
Daira Toma, Department of Building Materials and Products
Laura Vitola, Department of Building Materials and Products

4th International Conference „Innovative Materials, Structures and Technologies”

IMST 2019

Organized
by the Faculty of Civil Engineering
of the Riga Technical
University

25 - 27 September 2019
Riga, Latvia

IMPORTANT DATES

Abstract submission:	14 th January 2019
Acceptance of abstracts:	28 th January 2019
Paper submission:	1 st March 2019
Acceptance of paper:	1 st July 2019
Conference:	25th - 27th September 2019

SCIENTIFIC PROGRAMME

- Innovative Cement Composites
- Alkali Activated Materials and Technologies
- Sustainable Building Materials and Waste Management
- Thermal Energy Storage Materials and Systems
- Energy Efficient Building and Indoor Environmental Systems
- Structural Engineering
- Smart, Multifunctional, Composite Materials and Structures
- Road and Bridge Engineering
- Inspections, Assessment, Repair
- Flow Structure Interaction
- BIM and Civil Engineering Education

PUBLISHING

All abstracts and full papers should be submitted through the conference website www.imst.rtu.lv. To submit an abstract authors are required to register on the website. All accepted abstracts will be included in the printed conference abstract book. Full papers will be peer-reviewed, and the accepted papers will be published in IOP Conference Series: Material Science and Engineering indexed by SCOPUS and Web of Science.

WELCOME

The Faculty of Civil Engineering of the Riga Technical University is pleased to invite engineers and scientists from all over the world to attend the 4th International Conference "Innovative Materials, Structures and Technologies" (IMST 2019) to be held in Riga on 25th - 27th September 2019.

The conference aims to promote and discuss the latest results of industrial and academic research on analysis and design of advanced structures and buildings; innovative, ecological and energy efficient building materials; development of maintenance, inspection and monitoring methods; structural management; sustainable and safe transport infrastructure; civil engineering education and BIM. The conference is intended for scientists, engineers, students, managers and professionals of the construction sector providing a possibility to share the latest achievements, discuss recent advances and highlight the current challenges. Participants will be given an excellent opportunity for networking as well as meeting colleagues and friends.

IMST 2017 attracted over 200 scientists from 23 countries. [Conference proceedings](#) were published in IOP Conference Series: Material Science and Engineering indexed by SCOPUS and Web of Science.

CONFERENCE LANGUAGE

The official language of the conference is English.

CONFERENCE FEE

Registration Types	Early Bird	Late	On-Site
Participants with paper	350 EUR	400 EUR	480 EUR
Students with paper	200 EUR	250 EUR	300 EUR
Participants	300 EUR	300 EUR	360 EUR
Accompanying Persons	100 EUR	100 EUR	120 EUR

The participant and student conference fees include: welcome reception, conference materials, admission to all scientific sessions and workshops, refreshments, lunch, conference dinner.

The accompanying person conference fee includes: welcome reception, refreshments, lunch and conference dinner.

Early Bird Registration deadline: 1st March 2019.

Late Registration deadline: 15th July 2019.

Registration is available on the IMST 2019 website.
